

## **USER REGISTRATION PRIVACY POLICY**

On this page **GIANNESCHI PUMPS AND BLOWERS S.R.L.** (hereinafter **GIANNESCHI S.R.L.**) describes the methods of processing your personal data sent using the form (the "Form") on the "Registration" page of **GIANNESCHI S.R.L.** accessible at the link [www.gianneschi.net/it/user/register](http://www.gianneschi.net/it/user/register).

If you have any doubts, you can contact us at [privacy@gianneschi.net](mailto:privacy@gianneschi.net).

### **WHY THIS POLICY?**

Starting from 25 May 2018, new privacy rules are applied in all states of the European Union, imposed by EU Regulation no. 2016/679 (General Data Protection Regulation, which from now on we will call RGD), as well as national laws, including Legislative Decree 101/18.

The RGD provides for greater protection of users and imposes new obligations and responsibilities on those who process personal data, including those acquired through websites.

To find out more about the RGD, you can consult the useful Section edited by the Italian Data Protection Authority: it will help you to better understand the new rules and to get to know your rights.

A fundamental principle is transparency: users must know in advance, in a clear and complete way, which personal information will be collected, who will process it, for what reasons and for how long, if it will be used for commercial purposes, or for profiling purposes, if they will be communicated to third parties, etc ... and to be able to effectively control the management of their data.

This information is provided in accordance with Article 13 of the RGD and is also inspired by the Article 29 Group Guidelines on Transparency.

The information is addressed to users who fill out the registration form to create a profile on the **GIANNESCHI S.R.** in order to access specific restricted areas.
